## Counselor's

Thank you so much to all those that helped with our 3rd Annual Career Week! November guidance lessons were focused on college and career readiness and setting goals for our futures. The week ended with our fun Career Day. I loved seeing the students dress up for the job they hope to have one day and presenting to their classmates. The visitors were wonderful, and this year we had even more parents participating in this day! If you can, take a moment to talk with your child about their dreams for their future (high school graduation, college they would like to attend, and /or job they would like to have). Our goal is to make sure all TES students are exposed to the many possibilities open to them, and begin with end in mind.

The 2nd round of MAP testing began this week. Teachers will continue to use these results to zero in on what each child still needs to work on for improvement. The MAP report you get afterwards can also help you at home to focus on your child's needs.

Thanks again for all your support at home. Let me know if you need anything.

Take care,  
Miss Heiss

# PTA

**Christmas time will be here before we know it! Celebrate the holidays with the Taylorsville Elementary PTA. There are some exciting opportunities in the upcoming weeks for students and their families! Once again the PTA will be offering a Santa Shop for students to purchase small gifts for friends and family December 16-19. This year the PTA will also be hosting an evening with Santa on December 18th from 6:00-7:00! Cookies and Milk with Santa will not only have a variety of activities for families but also an opportunity to shop together at the Santa Shop! We will be sending more information home soon! Happy Holidays from the Taylorsville Elementary PTA!!**
